Work Smart - Feel Good

Flex-Desk 630 Whiteboard document holder

Computer users often use documents when working at the computer. The FlexDesk 630 Whiteboard document holder makes it easy to write notes on the work sheet.

With this flexible document holder, the FlexDesk 630 Whiteboard you can easily alternate between writing and computer work.

Council Directive 90/270/E The minimum safety and health requirements for work with display screen equipment. The document holder shall be stable and adjustable and shall be positioned so as to minimize the need for uncomfortable head and eye movements.

Multifunctional: document holder and writing slope

Creates an in-line workstation: document holder is placed between screen and keyboard, that prevents undue head and neck movements

Height adjustable (120 - 185 mm): good alignment to the screen

Handy: write notes with a whiteboard marker on the work sheet.

Space under front side: 55 mm

Material: Clear and white Acrylic
