

SITMATIC®

GOODFIT

BY SITMATIC™

THE WORLD'S MOST COMPREHENSIVE SEATING SYSTEM

Finally, a seating system that helps eliminate awkward and harmful postures using
the science of anthropometrics.

GOODFIT BY SITMATIC™ FEATURES

Slouching or Perching

Optional backrest angle adjustment fine tunes the back support to your personal habits.

Intuitive Lumbar Support

Finger tip lever locks where you put it. No other chair adjusts 6".

The Perfect Height

Seat heights for any size individual. Five different seat heights, ranging between 15" and 34", ensure a perfect fit for everyone at every workstation.

PressureCast™ Cushions

Using a special formulation and cast under high pressure, PressureCast™ foam is incredibly resilient for comfort, yet high-density for longevity.

Complete Back Support

Thoracic and sacral cradles merge into a lumbar crest.

Neck & Shoulder Relief

4" of height adjustment, 4" of width adjustment and optional rotation and depth adjustment customizes elbow support to your unique size.

Relaxing Motion

Synchronized control that allows your body to open as you recline. Rocking ease and rate of recline are adjustable by easily reached side crank.

Better Mobility

Oversized, 60 mm casters roll easily through plush carpet. Riveted for life-long durability. Every chair automatically receives one of four base sizes to best fit into your workspace.

THE GOODFIT BY SITMATIC™ FAMILY

SMALL SCALE

GU22 (Shown with 7X arms)

Small scale ergonomics. Careful thought and design was put into designing a chair specifically for those on the petite side of the spectrum.

STANDARD SCALE

GU33 (Shown with 7X arms)

The standard above all standards. Designed to fit the masses, from 5'3" to 6'5" and beyond, this chair has your back.

BIG & TALL

GU44 (Shown with 7F arms)

Engineered to withstand extreme usage. Reinforced back and seat structures, paired with ample foam cushions, provide comfort and peace of mind for many years to come.

LOW BACK

GU1 (Shown with #2 Seat)

Essential support and comfort. The perfect multi-task / multi-user seating solution.

MESH BACK

GM3 (Shown with #3 Seat)

Modern aesthetic without sacrificing your back. Height and depth adjustable lumbar pad for those who need more or those who like less.

STOOL KITS

TK / MK (Shown on GU12)

For laboratory or counter height tasks. Two stool kits: medium and tall heights, both include a height adjustable footing.

GOODFIT BY SITMATIC™ TECHNICAL
